8. Program Creation Norm

Diário da República n.º 226 de 19 de novembro, Aviso n.º 18856/2020

9. General conditions of access and admission

i Conditions for access to the post-graduate program

Podem candidatar-se para obtenção de uma Pós-Graduação:

- Holders of the bachelor degree or legal equivalent;
- Holders of a foreign academic degree duly recognised as satisfying the objectives identical to the bachelor degree by the relevant scientific body of the higher education institution they wish to be admitted to;
- Holders of an academic, scientific or professional curriculum vitae that is recognized as attesting to the capacity to carry out this cycle of studies by the relevant scientific body of the higher education institution they wish to be admitted to.

ii Conditions of access to the post-graduate program at Universidade de Évora

On the application date, the undergraduate students must satisfy conditions that guarantee the conclusion of their undergraduate degree until the 30th of October of the admission year. The admission and enrollment of these students is conditioned on the conclusion of the degree until this date, and the enrollment is canceled if the student does not complete the degree within that period

During the first application phase, students who have a maximum of 6 curricular units or 36 ECTS missing for conclusion of their degree can apply for the 2nd cycle; in the 2nd application phase students can apply if they have at most 3 curricular units missing and in the 3rd application phase if they have at most one curricular unit missing

The previous condition does not apply to students with a curriculum that reveals professional or scientific experience, which can be recognized by the competent scientific body, as attesting the students ability to carry out the masters degree/post-graduation, provided that the student required that recognition in the application process

iii Specific admission conditions

To hold a Bachelor's degree or legal equivalent in the area of health, social or municipal sector, holders of a foreign higher academic degree, in the above mentioned areas, conferred following a first organized study cycle, in accordance with the principles of the Bologna by a State adhering to this process or even holders of a foreign higher academic degree, in the mentioned areas, which is recognized by the Scientific Council of the Host Institution, as satisfying the objectives of the Bachelor's degree.
