3. Program description

The Theatre Master benefits from the integration in the training offer in Arts at Évora University, enabling wide articulations. The teaching of the core components of the theoretical and practical training of the actor / director counts with the contribution of PhD professors in the area and professionals theatrical guests, actors and directors. Conceived from a predominantly practical concept of training / research, students are integrated the research fields developed by lecturer staff. The course aims to respond to the challenges of contemporary theater, offering the future actor / director, innovative components for the exercise of the profession, namely: theater of objects; theater and community; body, movement and theater; performance; theater, audiovisuals and multimedia; voice in theater; experimental dramaturgical research; collaborative and devised theatre; site specific creation. The course's lecture is based on a B-learning model in theoretical and practical-theoretical curricular units taught face to face or online, using the Moodle platform and Zoom web conference of the University of Évora. The laboratory curricular units, deployed in subprojects, only face-to-face, according to a schedule established with the students. Installed on the Leões College, the program offers good study conditions, with the proximity of the library / videographic library of the Jorge Araújo Library, specialized in Arts and studios prepared for the practical teaching of the theater, technically equipped for performance and assembly of public exercises or theater performances.

ACEF/2021/1101356

8. Program Creation Norm

Diário da República n.º 6 de 9 de janeiro, Aviso n.º 385/2023

9. General conditions of access and admission

i Legal conditions for access to the cycle of studies leading to the master degree

Those who meet the following conditions may apply to the cycle of studies that leads to the master degree:

- Holders of the bachelor degree or legal equivalent;
- Holders of a foreign academic degree fully recognised as satisfying the objectives identical to the bachelor degree by the relevant scientific body of the higher education institution they wish to be admitted to;
- Holders of an academic, scientific or professional curriculum vitae that is recognized as attesting to the capacity to carry out this cycle of studies by the relevant scientific body of the higher education institution they wish to be admitted to.

ii Conditions of access to the cycle of studies at the Universidade de Évora

On the application date, the undergraduate students must satisfy conditions that guarantee the conclusion of their undergraduate degree until the 30th of October of the admission year. The admission and enrollment of these students is conditioned on the conclusion of the degree until this date, and the enrollment is canceled if the student does not complete the degree within that period

During the first application phase, students who have a maximum of 6 curricular units or 36 ECTS missing for conclusion of their degree can apply for the 2nd cycle; in the 2nd application phase students can apply if they have at most 3 curricular units missing and in the 3rd application phase if they have at most one curricular unit missing

The previous condition does not apply to students with a curriculum that reveals professional or scientific experience, which can be recognized by the competent scientific body, as attesting the students ability to carry out the masters degree/post-graduation, provided that the student required that recognition in the application process
