Universidade de Évora - Escola de Ciências e Tecnologia

2. Course Committee

Maria da Conceição Marques Freire (mcmf@uevora.pt)
Isabel Alexandra Joaquina Ramos (iar@uevora.pt)
Aurora da Conceição Parreira Carapinha (aurora@uevora.pt)

3. Program description

This study cycle is intended to deepen the skills already acquired in the 1st cycle and also to respond to the necessary qualification for the exercise of landscape architecture defined by national and international entities. This master's degree seeks to train professionals in a specialized and broad way (in the ecological, cultural, technical and aesthetic areas), covering a wide range of types and scales of projects related to the use of landscape and the design of open space. This cycle of studies corresponds to an increase in competences, the autonomous elaboration and coordination of Landscape Architecture Projects, as well as the collaboration in studies of Environmental Impact Assessment of projects, plans and programs.

These professionals will be qualified to communicate clearly and to evaluate critically, as well as to define strategies, prepare opinions regarding plans and Landscape Architecture projects and develop knowledge in a research context in Landscape Architecture.

4. Career opportunities

Study and project companies in the field of Landscape Architecture, Architecture and Urbanism; local administration (Municipalities); central administration (Commissions for Coordination of Regional Development, Institute for Conservation of Nature and Biodiversity, Institute for Management of Architectural Heritage); construction company and management of outdoor spaces; research and teaching.

5. Number of registration at DGES

R/A Ef 1714/2011/AL02

6. Number of accreditation process by A3ES

ACEF/2021/0405892

7. Program Creation Norm

Diário da República n.º 50 de 11 de março, Aviso n.º 5212/2022

8. General conditions of access and admission

i Legal conditions for access to the cycle of studies leading to the master degree

Those who meet the following conditions may apply to the cycle of studies that leads to the master degree:

- Holders of the bachelor degree or legal equivalent;
- Holders of a foreign academic degree fully recognised as satisfying the objectives identical to the bachelor degree by the relevant scientific body of the higher education institution they wish to be admitted to;
- Holders of an academic, scientific or professional curriculum vitae that is recognized as attesting to the capacity to carry out this cycle of studies by the relevant scientific body of the higher education institution they wish to be admitted to.

ii Conditions of access to the cycle of studies at the Universidade de Évora

On the application date, the undergraduate students must satisfy conditions that guarantee the conclusion of their undergraduate degree until the 30th of October of the admission year. The admission and enrollment of these students is conditioned on the conclusion of the degree until this date, and the enrollment is canceled if the student does not complete the degree within that period

During the first application phase, students who have a maximum of 6 curricular units or 36 ECTS missing for conclusion of their degree can apply for the 2nd cycle; in the 2nd application phase students can apply if they have at most 3 curricular units missing and in the 3rd application phase if they have at most one curricular unit missing

The previous condition does not apply to students with a curriculum that reveals professional or scientific experience, which can be recognized by the competent scientific body, as attesting the students ability to carry out the masters degree/post-graduation, provided that the student required that recognition in the application process

iii Specific admission conditions

Graduates in Landscape Architecture, with scientific or professional curriculum recognized by the Scientific-Council of the institution;

For candidates with a degree in a related field, it could be applied crediting plans. Each case will be considered by the Master Director listening to the candidate and proposing the Scientific Council the appropriate accreditation.

9. Selection Process

- Academic Qualifications: 70%
 - Area of qualifications: 40%
 - Level of qualifications: 40%
 - Average grade in the highest qualification: 20%
- Curriculum Analysis: 30%
 - Scientific and technical activities and publications: 10%
 - Artistic Experience or Portfolio / Artistic Dossier in the area of the program: 10%
 - Professional Experience in the area of the program or related fields: 30%
 - Participation in research projects: 30%
 - Training in transversal competences: 20%

10. Maximum number of admissions

- Maximum number of admissions for candidates with nationality of European Union countries: 10
- Maximum number of admissions for candidates without nationality of European Union countries: 10

Depending on the number of applications, there may be transfer of vacancies from the international students applications to the European Union students applications or vice-versa.

11. Minimum number of students

Minimum number of students: 8

12. Tuition fee

- Candidates with nationality of European Union countries: 1 050,00 €
- Candidates without nationality of European Union countries: 2 500,00 €
 - Annual Tuition fee for international students with merit scholarship: 1 050,00 €
