Open call rules

Applications for Admission: Curso de formação em Avaliação do IPTB e compressão dos membros inferiores (Training in IPTB Assessment and Compression of the Lower Limbs)
Academic Year 2023/2024

1. The program is promoted by

Universidade de Évora - Escola Superior de Enfermagem S. João de Deus

2. Coordenador(a)

Isaura da Conceição Cascalho Serra (iserra@uevora.pt)

3. Program description

Scientific evidence indicates compression therapy as a cost-effective measure in the treatment of venous ulcers of the lower limbs, increasing the healing rate in a shorter time and the person's quality of life. The creation of this course aims to contribute to the development of technical-scientific skills in terms of Differential Diagnosis and treatment of Leg Ulcers, taking into account the most recent scientific evidence and training in the evaluation of the Ankle-Arm Pressure Index (APTBI) and application techniques of different types of compression bandages: Short traction, long traction and multilayer systems.

4. Objectives

- Contribute to the development of technical-scientific skills for the differential diagnosis and treatment of Leg Ulcers.- Develop assessment skills for the Ankle-Arm Pressure Index (APTBI).-Train nurses in application techniques for different types of compression bandages: short traction, long traction and multilayer systems.
