

Universidade de Évora

Open call rules

Applications for Admission: Curso de formação em Webinars Ciclos de Vida do Medicamento e do Dispositivo Médico II (Webinars Life cycles of the Medicine and the Medical Device II)
Academic Year 2023/2024

1. The program is promoted by

Universidade de Évora - Escola de Saúde e Desenvolvimento Humano

2. Coordenador(a)

Pedro Miguel Amores da Silva (pedro.silva@uevora.pt)

3. Program description

The proposal for the Webinars on Life Cycles of Medicines and Medical Devices arises within the scope of the development of the strategy of the University of Evora for the Health area, namely through the increase of the continuous training of Health professionals and of graduates and Masters in Pharmaceutical Sciences. This training offer meets the commitment to Continuous Professional Development assumed by each pharmacist. This training also intends to respond to micro-accreditation within the scope of the PRR. These open program Webinars will be taught in line with the research areas of invited experts and the teaching and non-teaching staff of the University. Throughout the Webinars, topics will be addressed that will highlight recent advances in the area, its interdisciplinarity, problems raised by research and development, manufacturing, commercialization and the end of the life cycle of medicines (MS) and Medical Devices (DMs). These are challenges faced by health professionals in their application and the methodologies developed to deal with them and regulatory issues related to the area. This rationale will be continued in the remaining Webinars on Medicine and Medical Device Life Cycles.

4. Objectives

1. Apply the skills acquired in the Webinar in an integrated way
2. Reflect on the topics addressed in each of the topics and draw conclusions that include a reflection on issues of a scientific, social and/or ethical nature
3. Develop concepts and be able to communicate them effectively in a team context
4. Apply ethical and integrity principles in research in Pharmaceutical Sciences.

5. General conditions of access and admission
