3. Program description

The Postgraduate Program in Education Inspection aims to provide advanced training for teachers and higher education technicians in coordination with the professional performance profile of education inspectors.

The course is oriented towards the following objectives: a) Qualify inspectors and other education professionals (pedagogical supervisors, teachers, principals, and other professionals involved in the quality control of educational institutions and educators) for the performance of inspection functions and other related activities related to the quality control of education; b) Contribute to an integrated vision of inspection functions in the areas of control, auditing, evaluation, monitoring, and oversight of the educational system's operation; c) Promote understanding of the institutional, procedural, and relational dimensions of inspection functions in different areas of intervention; d) Develop professionalizing attitudes, reconciling human, scientific, technical (pedagogical, disciplinary, administrative, and financial), and socio-cultural dimensions; e) Deepen understanding of the relationship between regulation and the dynamics of inspection action aimed at improving educational action.

The curriculum includes four mandatory modules from the Master's program in Education Sciences - Administration and Regulation of Educational Policies (MARPE) at the University of Évora and two optional modules that can be chosen from a predominantly MARPE curriculum, creating a training pathway with this master's program.

4. Career opportunities

The holder of this postgraduate diploma will have privileged conditions in competitions for a career in Education Inspection or other forms of recruitment for roles in Education Inspection.

6. General conditions of access and admission

i Conditions for access to the post-graduate program

Those who meet the following conditions may apply to the post-graduate program:

- Holders of the bachelor degree or legal equivalent;
- Holders of a foreign academic degree duly recognised as satisfying the objectives identical to the bachelor degree by the relevant scientific body of the higher education institution they wish to be admitted to;
- Holders of an academic, scientific or professional curriculum vitae that is recognized as attesting to the capacity to carry out this cycle of studies by the relevant scientific body of the higher education institution they wish to be admitted to.

ii Conditions of access to the post-graduate program at Universidade de Évora

On the application date, the undergraduate students must satisfy conditions that guarantee the conclusion of their undergraduate degree until the 30th of October of the admission year. The admission and enrollment of these students is conditioned on the conclusion of the degree until this date, and the enrollment is canceled if the student does not complete the degree within that period

During the first application phase, students who have a maximum of 6 curricular units or 36 ECTS missing for conclusion of their degree can apply for the 2nd cycle; in the 2nd application phase students can apply if they have at most 3 curricular units missing and in the 3rd application phase if they have at most one curricular unit missing

The previous condition does not apply to students with a curriculum that reveals professional or scientific experience, which can be recognized by the competent scientific body, as attesting the students ability to carry out the masters degree/post-graduation, provided that the student required that recognition in the application process

iii Specific admission conditions

Candidates eligible to enroll in the current study cycle include:

Applicants holding a bachelor's degree or equivalent qualification in the field of education;

Applicants with an academic, scientific, or professional background are recognized as demonstrating the capacity to undertake this study cycle.
