## Open call rules

Applications for Admission: Curso de formação em Desenvolvimento de Medicamentos e Dispositivos Médicos (Development of Medicines and Medical Devices)  
Academic Year 2024/2025

### 1. The program is promoted by

Universidade de Évora - Escola de Saúde e Desenvolvimento Humano

### 2. Coordenador(a)

Ana Margarida Molhinho Advinha (anamma@uevora.pt)

### 3. Program description

The course aims to overview the main methodologies used to develop medicines and medical devices.

### 4. Objectives

This course is intended to provide students with an overview of the main methodologies used to develop medicines and medical devices. In the first case, it is a particular objective to get to know the development of new molecules and drugs, from the laboratory bench. In medical devices, the objectives are the knowledge of how they are created and developed based on good practices. At the end of the course, the student is expected to be able to identify and describe the similarities and differences between the methodologies for drug development and medical devices. Students should also acquire competencies in the implementation of good practices and procedures for industrial and innovation protection.

### 5. General conditions of access and admission

#### i General conditions

Be over 18 years old and resident permit. If you do not have Portuguese nationality, you must have a residence permit and tax payer number .
