## Open call rules

Applications for Admission: Curso de formação em Ventilação Não Invasiva: da Teoria à aplicação clínica (Non-Invasive Ventilation: From Theory to Clinical Application)  
Academic Year 2025/2026

### 1. The program is promoted by

Universidade de Évora - Escola Superior de Enfermagem S. João de Deus

### 2. Coordenador(a)

Cátia Sofia Ferrão Ganito (catia.ganito@uevora.pt)

### 3. Program description

This course was designed to empower nursing professionals with the theoretical, technical and clinical knowledge necessary for the safe and effective implementation of Non-Invasive Ventilation (NIV). By combining scientific foundations with clinical simulation, participants will develop a deep understanding of NIV modalities and the clinical reasoning required to support decision-making in diagnostic assessment, intervention, and (re)evaluation of outcomes. The training will be both theoretical and practical, using interactive lectures, simulation, and case analysis. At the end of the course, participants will be better equipped to intervene with confidence and competence in the application of NIV, directly contributing to the quality of respiratory care.

### 4. Objectives

- Explore the different modalities of Non-Invasive Ventilation (NIV) and their clinical applications.
- Understand the principles of NIV parameterization, including the appropriate selection and use of interfaces.
- Identify the fundamental steps in the diagnostic assessment of patients eligible for NIV.
- Develop skills for the critical analysis of clinical data and its integration into therapeutic decision-making.
- Recognize the criteria for evaluating outcomes associated with the implementation of NIV.

Learning Outcomes / Competencies:

- Describes the modalities of NIV, their parameterization, and clinical applications.
- Identifies the criteria for appropriate interface selection.
- Applies instruments for diagnostic and outcome assessment.
- Plans therapeutic interventions for patients undergoing NIV

## 5. General conditions of access and admission

### i General conditions

Be over 18 years old and resident permit. If you do not have Portuguese nationality, you must have a residence permit and tax payer number .

### ii Specific admission conditions

Graduates in Nursing or Medicine

### iii Required academic qualifications Higher Education - Degree 1st Cycle (Bologna) or Equivalent

### iv Necessary documentation

- a) identification document;
- b) document(s) proving the qualifications required in the Announcement for access to the course;
- c) document proving the IBAN of the bank account held by the candidate, in which the name of the holder is mentioned;
- d) proof of residence permit, in the case of foreign students;
- e) document with tax identification number, in the case of foreign students;

## 6. Selection Process

Date of application submission.

## 7. Maximum number of admissions

- Maximum number of admissions: 20

## 8. Minimum number of students

Minimum number of students: 15

## 9. Tuition fee

- Tuition fee: 0,00 €

This course is covered by the PRR's Digital Plus Impulse. Students may be eligible for completion prize, in accordance with [Regulation](#), to be paid into a bank account held by the student.

## 10. ECTS

- Number of ECTS of the program: 1

## 11. Horas de Contacto

- Total de horas de contacto: 10

## 12. Learning Type

b-Learning

## 13. Schedule type

After-work

## 14. Classes location

Escola Superior de Enfermagem São João de Deus - Universidade de Évora

## 15. Classes schedule (week days and schedule)

Saturday: 9h-13h

## 16. Program Dates

- Program Start Date: January 10, 2026
- Program End Date: January 17, 2026

## 17. Application Dates

- Applications Start Date: November 27, 2025
- Applications End Date: December 28, 2025
- Announcement of Results (until): January 6, 2026
- Enrollments Start Date: January 6, 2026
- Enrollments End Date: January 9, 2026

November 26, 2025

The Rector

Hermínia Vasconcelos Vilar
