Applications for Admission: Curso de formação em Ferramentas de apoio à decisão para a gestão sustentável de povoamentos florestais mediterrânicos (Decision support tools for the sustainable management of Mediterranean forest stands)
Academic Year 2025/2026

1. The program is promoted by

Universidade de Évora - Escola de Ciências e Tecnologia

2. Coordenador(a)

Nuno Manuel Cabral de Almeida Ribeiro (nmcar@uevora.pt)

3. Program description

This course aims to provide students with knowledge of the concepts of tree, stand and forest systems as well as to characterize stands and forest systems, to know the techniques of regeneration and installation and the techniques of production regulation from the conceptualization of the management of trees and stands in each of the forest systems in a dynamic perspective. With this conceptualization of management, the student should acquire skills in the hierarchy of management objectives and in the preparation and analysis of forest management plans from an ecological and economic perspective.

4. Objectives

The programmatic objectives are the knowledge of the concepts of tree, stand and forest systems as well as to characterize the stands and forest systems, to know the techniques of regeneration and installation and the techniques of production regulation.

To this end, it is intended that the student integrates the knowledge of silviculture, dendrometry, forest inventory and modelling in order to conceptualize the management of trees and stands in each of the forest systems in a dynamic perspective. With this conceptualization of management, the student should acquire skills in the hierarchy of management objectives and in the preparation and analysis of forest management plans from an ecological and economic perspective.

5. General conditions of access and admission

i General conditions

Be over 18 years old and resident permit. If you do not have Portuguese nationality, you must have a residence permit and tax payer number .

ii Specific admission conditions

Hold at least a secondary education diploma (12th grade) and provide proof of professional experience in the field of Agricultural and/or Veterinary Sciences.

iii Required academic qualifications

Secondary education (12th year of complete education) or equivalent

iv Necessary documentation

- a) identification document;

- c) document proving the IBAN of the bank account held by the candidate, in which the name of the holder is mentioned;
- d) proof of residence permit, in the case of foreign students;
- e) document with tax identification number, in the case of foreign students;

6. Selection Process

Date of application submission.

7. Maximum number of admissions

- Maximum number of admissions: 50

8. Minimum number of students

Minimum number of students: 8

9. Tuition fee

- Tuition fee: 0,00 €

This course is covered by the PRR's Digital Plus Impulse. Students may be eligible for completion prize, in accordance with [Regulation](#), to be paid into a bank account held by the student.

10. ECTS

- Number of ECTS of the program: 1

11. Horas de Contacto

- Total de horas de contacto: 12

12. Learning Type

e-Learning

13. Schedule type

After-work

14. Classes location

The sessions will take place via digital platform.

15. Classes schedule (week days and schedule)

Friday (May 8), Monday (May 11), Tuesday (May 12), and Friday (May 15), from 6 p.m. to 9 p.m.

16. Program Dates

- Program Start Date: May 8, 2026
- Program End Date: May 15, 2026

17. Application Dates

- Applications Start Date: -
- Applications End Date: -
- Announcement of Results (until): April 16, 2026
- Enrollments Start Date: April 16, 2026
- Enrollments End Date: May 5, 2026

February 23, 2026

The Rector

Hermínia Vasconcelos Vilar
